Every employees need to make themselves aware of the emergency evacuation plans for the building(s) they work in. Posters have been displayed across the campus to inform staff of this.

All main campus buildings have new fire plans; these can be found on the [Fire Plan GEORGE page](#) (found in the Quick links section).

Assembly points for the main campus have been reduced from 5 to 2. The 2 assembly points are:

- 2. Rear Car Park** - (between the entrance and exit barriers)
