

					<ul style="list-style-type: none"> Poster remaining employee of the 2m distance rule MUST be displayed in all open Council buildings, click on the insert document below.  <p>Covid19 Poster 1.jpg</p>						
6	Coughing & sneezing of personnel & lack of basic hygiene.	5	3	0	15	<ul style="list-style-type: none"> Employee informed and reminded to catch coughing & sneezes in disposable tissue. (Catch it, Bin it & Kill it) Wash hands thoroughly after sneezing or coughing (wet hands & add soap & thoroughly wash hands in hot water for a minimum of two rounds of Happy Birthday). Ensure alcohol based hand gel is available within offices and being used by employees to sanitise hands. Ensuring all relevant Covid 19 posters are displayed in office to remind employee on basic infection controls/rules/requirement. Any employee showing signs or symptoms MUST be send home and the area(s) where they have been working "deep cleaned" – see reporting of Covid 19 flowchart below within the Manger COVID toolkit, Click here. HSA15 poster to be displayed in all LCC buildings. 	3	2	0	6	
7	Insufficient cleaning of open buildings to reduce the infection risk		4	3	0	12	<ul style="list-style-type: none"> Daily cleans at sites where VINCI provide cleaning. Daily update given by VINCI to highlight any resource issues. Additional VINCI staff have been trained to provide resilience. Reducing the no of buildings that are open will reduce the risk of resource issues arising. High traffic/risk areas/locations to be cleaning more frequently i.e. door handles, toilets, access/regress points. Where Property Services have received confirmation that an employee or services user that's confirmed COVID have been in/used an areas within the building a "Deep Clean" will be undertaken. Basic cleaning equipment i.e. wipes will be make available in offices/buildings to enable employee to maintain a good level of 	4	2	0	8

						cleaning/hygiene on hard surfaces.				
8.	Members of the public entering an LCC displaying symptoms of Covid-19	5	3	0	15	<ul style="list-style-type: none"> Some main offices are open for payment of critical payments – there is a screen in place between the LCC staff and the public. Where screens are not available or can't be erected and SD can't be achieved appropriate PPE for staff may be required. This will be risk assessed on case by case basis. Notices on the entrance to deter public entering if they display symptoms Sanitiser available/cleaning stations in reception/high use areas. Visible signs/markers on walls/floors showing where people need to stand to achieve 2m Social Distancing (SD). Limiting the number of public that can enter building/reception area, public may be asked to wait outside. If necessary an external waiting areas identified with notification, marks to assist public on achieving 2m SD. Call PSC if made aware of someone displaying symptoms so that clean can be arranged and advice sought from PH 	4	1	0	4
9.	Members of the public attending the Centre in emergency / or planned situations	5	3	0	15	<ul style="list-style-type: none"> The expectation is that Service Users will NOT attend Boston Family Center unless for Critical Payments which will be managed by Business Support in Reception, Or in an emergencies or for a very exceptional interviews with Social Workers where the express permission of the Team Manager has been given due to the necessity of a face to face session being required due to the particular needs or vulnerability of a service user (for example where a client has learning needs and prolonged video calls to complete an assessment would significantly hinder / undermine their assessment. The Conference Room ONLY will be used for direct client contact as all other downstairs rooms that are normally available to the Public are not being cleaned. 	4	2	0	6

						<ul style="list-style-type: none"> The Conference Room must be booked via the Electronic Calender managed by business support with a clear 30 minutes between session to ensure that there is sufficient time for cleaning and to avoid any overlap of service users attendance. Service Users attending Boston Family Center for approved / pre arranged sessions with Social Workers will be contacted by the Social Worker on the day of the planned session and asked if they are displaying any Covid 19 symptoms, if they indicate that they are sessions will be postponed for a minimum of 14 days. If they confirm that they are symptom free, they will be asked to meet with the Social Worker at the second entrance to the building (nearest the Conference Room) and will be taken directly into the Conference Room Service Users are to be seen on an individual basis wherever possible with joint service users session only being undertaken where it is essential to the quality of the social work practice. The Social Worker must confirm with the Duty PS that there service user (s) is arriving and at what time on the day and also that they have left the building. The PS will then sign the Service User in and out of the building. Social Worker and Service User (s) must follow social distance requirements of being at least 2 meters apart and ensure that the doors to the Conference Room remain open, and that where possible windows in the room are also opened, Hand sanitizer gel must be on reception / Conference Room / Toilet for service users at all times and not passed to them by Business Support / Social Worker The reception area / Conference Room used must be wiped down with appropriate antibacterial wipes / spray after attending to each 				
--	--	--	--	--	--	--	--	--	--	--

						<p>service user.</p> <ul style="list-style-type: none"> • After attending to a service user all staff should wash their hands thoroughly or use an appropriate hand sanitizer. • Only 1 service user / family allowed in Centre at a time, others should be asked to wait. • Signage in place to remind people of social distancing. • Social distancing must be maintained at all times. • Any equipment used during the visit must be wiped down with appropriate antibacterial wipes / spray after attending to each service user. 				
10	Missed, Statutory maintenance visits not taking place, Potential for building to become non-compliant	4	3	0	12	<p><i>The HSE have issued guidance on "Carrying out thorough examination and testing of lifting and pressure equipment during the coronavirus outbreak" - Click here for further guidance.</i></p> <ul style="list-style-type: none"> • Identify where this is not being carried out and identify level of risk. • Weekly update from VINCI where they have failed to gain access to carry out maintenance tasks. • Sites reminded that statutory tests still need to be completed and recorded 	4	1	0	4
11	Potential changes to Office Fire Safety procedures/Lack of Fire Marshals / Missed statutory tests (weekly fire alarm test etc)	4	3	0	20	<ul style="list-style-type: none"> • All employees working in open offices must familiarise themselves with the Safety Alert HSA 16 • Any changes to the normal fire safety procedures within a building MUST be communicated to employees i.e. change of day/time of the fire alarm testing. • All open LCC buildings will now be operating "user registers", all employee using LCC building MUST sign the register then entering and exiting the building, providing all information that requested. • All employee MUST abide by any localised fire precautions/plans/requirements. • Any employee who are Fire Marshals are to perform their fire marshal duties within the areas they are working, undertaking a clean & sweep of the immediate areas where they are working and 	3	2	0	6

						<p>encourage all employees in that areas to exit the building and head to the assemble point(s).</p> <ul style="list-style-type: none"> All LCC employees working within LCC buildings MUST have completed the mandatory "Fire Safety Awareness 2020-21" e-learning course. Click here to access. Identify where alarm testing is not being carried out and remind occupants that it is statutory, property services to review/monitor to ensure regular testing is now being undertaken. If no one on site knows how to test the fire alarm, other measures need implementing and recording what those are and all building users made aware. Responsible person for the site to ensure that the fire alarm and emergency light tests continue to be undertaken and recorded Int Comms to remind staff that this a requirement Sites reminded that statutory tests still need to be completed and recorded Where there are significant changes to either fire precaution or building use a review of the buildings Fire Risk Assessment must be undertaken. 				
12	Lack of First Aiders on site	4	3	0	12	<ul style="list-style-type: none"> First Aid boxes to be placed / displayed in prominent positions in the buildings, notices and signage informing staff of the location of the FA box. First Aiders the ensure they have an ID card that contains the "Frist Aider" notification mark, see G3 App 6 for details on getting the correct ID card – click here Staff are made aware in the event of an accident, serious injury or health condition they MUST contact the emergency services using the 999 or 112 phone number, remembering to add any additional numbers that may be required for an external line e.g. (9) 999. Any first aider working in an open office MUST check the FA box for that area at the beginning of the day to check stocks and request a re-stock via their normal process if required. 	4	2	0	8

13	Staff lone working/isolated working in open buildings	3	3	0	9	<ul style="list-style-type: none"> Where required individual or team lone worker risk assessment are to be completed by managers, this may include controls measures requiring staff to remotely notify colleagues/manager when they have arrived in the office/building and safety left/returned home. All staff using building MUST follow the local arrangement for signing in/out Staff using building to adhere to fire safety precautions/procedures, see section 9 for further fire safety control measures. Staff who already have/use the Orbis lone worker device will be expected to use this when working alone or isolated within open buildings. 	3	1	0	3
14	The use and cleaning of IT & other equipment	5	3	0	15	<ul style="list-style-type: none"> Where possible not do use shared I.T. equipment i.e. mouse, keyboards, telephones. Use your laptop and your own mouse/keyboard, works mobile etc. Ensure all your personal I.T. equipment is thoroughly cleaned before & especially after use in the office/building before taking it home. Where shared equipment is used, it MUST thoroughly cleaned before use with an appropriate anti-bacteria product i.e. wipes/spray and then cleaned again after use with the same product. A good supply of appropriate anti-bacteria cleaning materials MUST be available at all times. Regular & more frequent hand washing using soap & hot water and using hand sanitise gels in-between. Ensure HSA15 is posted in a prominent position. 	3	2	0	6
15	Lack of manager communication & monitoring if employees	4	2	0	8	<ul style="list-style-type: none"> Only employees who have been authorised by their line manager will be allow to work from LCC buildings, see Working in LCC buildings flowchart within the manager COVID toolkit, Click here. Line manager to Ensure regular communication with remote employees. All employees to install Microsoft Team onto their laptop/desktops where possible. Click here for further guidance. Line manager to ensure employees are aware of LCC's Employee 	3	1	0	3

						<p>Wellbeing and Support information. Click here for further information.</p> <ul style="list-style-type: none"> Employees are encouraged to keep up to date with the latest new from around the County via LCC social media:- <ul style="list-style-type: none"> https://www.instagram.com/lincolnshirecc/ https://en-gb.facebook.com/lincolnshirecc/ https://twitter.com/lincolnshirecc?lang=en 				
16	Property related issues/incidents, no one to report to e.g. locking/unlocking safe access/ egress alarms	2	2	0	4	<ul style="list-style-type: none"> Ensure all staff are aware of the process of reporting all property related issues to the Property Service Centre (PSC) Ensure that access can be provided to address the issue Staff to report issues, incidents or concerns to Property Service Centre (01522 555555) Check for any hazards especially if site not been used for a week Clear any debris that blocking or prevent access if safe to do so Notify PSC if contractor assistance is required Report to the Police if damage has occurred and notify PSC 	2	1	0	2
17	External contractors on site	2	2	0	4	<ul style="list-style-type: none"> Only essential contractors to be allowed on site i.e. emergency repairs/statutory maintenance etc. All contractors to adhere to the same infection reduction controls as employees i.e. If they (or any member of their family) are displaying any symptoms they will not carry out the visit Any contractor attending site will book in advance Contractor to supply your staff with Hand sanitizer and must be carried with them Contractor to provide appropriate PPE to their staff Social distancing must be maintained at all times. 	2	1	0	2
