

					<p>they showing/had any symptoms? Where suitable self-isolation is confirmed and no symptoms present this employee may be considered to work from an open building with any specific controls implemented depending on their situation i.e. can we employee remain isolated when working in an open building e.g. working alone in a POD. An individual risk assessment will have to be completed identifying any specific controls for this individual to ensure all concern safety.</p> <ul style="list-style-type: none"> The testing of essential / key worker and their families/households could allow certain individuals to return to work and/or work from Council buildings, please ref to the Testing Flowchart within the Manager COVID 19 toolkit – Click here. 				
3.	Employees working in open buildings without knowledge of symptoms or asymptomatic	5	3	0	<ul style="list-style-type: none"> Signs on all entrance doors reminding staff not to enter if they are experiencing symptoms Signage informing staff of what COVID symptoms are Notices and Int. Comms – staff asked to notify PSC is they experience symptoms so that Property can risk assess the requirement for a deep clean. Occupancy levels set for all sites to keep attendees to a minimum Staff to adhere to Social Distancing (SD) rules and where needed SD enforced. Staff failing to adhere to SD rules may be asked to leave the building. Ensure that this is communicated to LCC tenants i.e Balfour Beatty (Highways Depots) The testing of essential / key worker and their families/households could allow certain individuals to return to work and/or work from Council buildings, please ref to the Testing Flowchart within the Manager COVID 19 toolkit – Click here. Good person hygiene and building cleaning regime to be implemented, see hazards No 6 & 7 	5	1	0	5

4	Employee has suspected/ contracts Covid 19 virus at work	5	3	0	15	<ul style="list-style-type: none"> Employee MUST sent home immediately Employee MUST self-isolate and remain at home Employee MUST NOT come into any open buildings. If employment was recently working in an open building(s) manager MUST notify the Property Service Centre (01522 555555, option 3) to enable an assessment prior to deep cleaning of the office/area(s). <ul style="list-style-type: none"> Manager to record date & time of reporting to PSC & record the type of cleaning that is specified by the PSC e.g. CV19 deep clean & prep (fogging & sanitising). Manager to record the date & time the office/area was vacated & cordoned off Manager to record the date & time the office/area is evacuated. Manager to follow the "Reporting employees with Covid 19" flowchart for any further reporting requirements, see reporting flowchart in managers COVID 19 toolkit, click here. The testing of essential / key worker and their families/households could allow certain individuals to return to work and/or work from Council buildings, please ref to the Testing Flowchart within the Manager COVID 19 toolkit – Click here. 	3	2	0	6
5.	Lack of social distancing/spacing of key workers when working in open Building – higher risk areas /pressure points i.e. corridors, lifts.	5	3	0	15	<ul style="list-style-type: none"> Occupancy levels of buildings to be identified and adhered to Notices put on all entrances to remind staff about social distancing Sign in sheets in office locations Ensure that this is communicated to LCC tenants i.e Balfour Beatty (Highways Depots) A minimum of two metres to be observed whilst at work between employees. Toilets will be operated on a 'one in / one out' basis; poster and notices will be displayed informing employees of this and communicated via Int. comms. DO NOT sit next to anyone, ensure you have at least empty 	4	1	0	4

					<p>workstations between occupied workstations (ensuring the minimum 2 meter gap is achieved)</p> <ul style="list-style-type: none"> • If you can't achieve the 2m gap in your normal work area/location try other rooms/locations within the building to identify an area(s) where this can be achieved. • Only one person to use the lift at one time • Where possible and the design of the building one way system in and around the office/building to the established i.e. if two or more staircases in a building some to be used only for going up and other for only going down (normal use for emergency evacuation). • Poster remaining employee of the 2m distance rule MUST be displayed in all open Council buildings, click on the insert document below.  <p>Covid19 Poster 1.jpg</p>					
6	Coughing & sneezing of personnel & lack of basic hygiene.	5	3	0	15	<ul style="list-style-type: none"> • Employee informed and reminded to catch coughing & sneezes in disposable tissue. (Catch it, Bin it & Kill it) • Wash hands thoroughly after sneezing or coughing (wet hands & add soap & thoroughly wash hands in hot water for a minimum of two rounds of Happy Birthday). • Ensure alcohol based hand gel is available within offices and being used by employees to sanitise hands. • Ensuring all relevant Covid 19 posters are displayed in office to remind employee on basic infection controls/rules/requirement. • Any employee showing signs or symptoms MUST be send home and the area(s) where they have been working "deep cleaned" – see reporting of Covid 19 flowchart below within the Manger COVID toolkit, Click here. • HSA15 poster to be displayed in all LCC buildings. 	3	2	0	6
7	Insufficient cleaning of open buildings to	4	3	0	12	<ul style="list-style-type: none"> • Daily cleans at sites where VINCI provide cleaning. The exception to this will be at the sites not cleaned by VINCI i.e retained fire 	4	2	0	8

	reduce the infection risk					<ul style="list-style-type: none"> stations, waste sites, site specific cleaning arrangement will be identified for these locations Daily update given by VINCI to highlight any resource issues. Additional VINCI staff have been trained to provide resilience. Reducing the no of buildings that are open will reduce the risk of resource issues arising. High traffic/risk areas/locations to be cleaning more frequently i.e. door handles, toilets, access/regress points. Where Property Services have received confirmation that an employee or services user that's confirmed COVID have been in/used an areas within the building a "Deep Clean" will be undertaken. Basic cleaning equipment i.e. wipes will be make available in offices/buildings to enable employee to maintain a good level of cleaning/hygiene on hard surfaces. 				
8.	Members of the public entering an LCC displaying symptoms of Covid-19	5	3	0	15	<ul style="list-style-type: none"> Some main offices are open for payment of critical payments – there is a screen in place between the LCC staff and the public. Where screens are not available or can't be erected and SD can't be achieved appropriate PPE for staff may be required. This will be risk assessed on case by case basis. Notices on the entrance to deter public entering if they display symptoms Sanitiser available/cleaning stations in reception/high use areas. Visible signs/markers on walls/floors showing where people need to stand to achieve 2m Social Distancing (SD). Limiting the number of public that can enter building/reception area, public may be asked to wait outside. If necessary an external waiting areas identified with notification, marks to assist public on achieving 2m SD. Call PSC if made aware of someone displaying symptoms so that clean can be arranged and advice sought from PH 	4	1	0	4
9	Missed, Statutory maintenance visits	4	3	0	12	<i>The HSE have issued guidance on "Carrying out thorough examination and testing of lifting and pressure equipment during the coronavirus"</i>	4	1	0	4

	not taking place, Potential for building to become non-compliant					<p>outbreak" - Click here for further guidance.</p> <ul style="list-style-type: none"> Identify where this is not being carried out and identify level of risk. Weekly update from VINCI where they have failed to gain access to carry out maintenance tasks. Sites reminded that statutory tests still need to be completed and recorded 				
10	Potential changes to Office Fire Safety procedures/Lack of Fire Marshals / Missed statutory tests (weekly fire alarm test etc)	4	3	0	20	<ul style="list-style-type: none"> All employees working in open offices must familiarise themselves with the Safety Alert HSA 16 Any changes to the normal fire safety procedures within a building MUST be communicated to employees i.e. change of day/time of the fire alarm testing. All open LCC buildings will now be operating "user registers", all employee using LCC building MUST sign the register then entering and exiting the building, providing all information that requested. All employee MUST abide by any localised fire precautions/plans/ requirements. Any employee who are Fire Marshals are to perform their fire marshal duties within the areas they are working, undertaking a clean & sweep of the immediate areas where they are working and encourage all employees in that areas to exit the building and head to the assemble point(s). All LCC employees working within LCC buildings MUST have completed the mandatory "Fire Safety Awareness 2020-21" e-learning course. Click here to access. Identify where alarm testing is not being carried out and remind occupants that it is statutory, property services to review/monitor to ensure regular testing is now being undertaken. If no one on site knows how to test the fire alarm, other measures need implementing and recording what those are and all building users made aware. Responsible person for the site to ensure that the fire alarm and 	3	2	0	6

						<p>emergency light tests continue to be undertaken and recorded</p> <ul style="list-style-type: none"> • Int Comms to remind staff that this a requirement • Sites reminded that statutory tests still need to be completed and recorded • Where there are significant changes to either fire precaution or building use a review of the buildings Fire Risk Assessment must be undertaken. 				
11	Lack of First Aiders on site	4	3	0	12	<ul style="list-style-type: none"> • First Aid boxes to be placed / displayed in prominent positions in the buildings, notices and signage informing staff of the location of the FA box. • First Aiders the ensure they have an ID card that contains the "Frist Aider" notification mark, see G3 App 6 for details on getting the correct ID card – click here • Staff are made aware in the event of an accident, serious injury or health condition they MUST contact the emergency services using the 999 or 112 phone number, remembering to add any additional numbers that may be required for an external line e.g. (9) 999. • Any first aider working in an open office MUST check the FA box for that area at the beginning of the day to check stocks and request a re-stock via their normal process if required. 	4	2	0	8
12	Staff lone working/isolated working in open buildings	3	3	0	9	<ul style="list-style-type: none"> • Where required individual or team lone worker risk assessment are to be completed by managers, this may include controls measures requiring staff to remotely notify colleagues/manager when they have arrived in the office/building and safety left/returned home. • All staff using building MUST follow the local arrangement for signing in/out • Staff using building to adhere to fire safety precautions/procedures, see section 9 for further fire safety control measures. • Staff who already have/use the Orbis lone worker device will be expected to use this when working alone or isolated within open buildings. 	3	1	0	3
13	The use and cleaning of IT &	5	3	0	15	<ul style="list-style-type: none"> • Where possible not do use shared I.T. equipment i.e. mouse, keyboards, telephones. Use your laptop and your own 	3	2	0	6

	other equipment					<ul style="list-style-type: none"> mouse/keyboard, works mobile etc. Ensure all your personal I.T. equipment is thoroughly cleaned before & especially after use in the office/building before taking it home. Where shared equipment is used, it MUST thoroughly cleaned before use with an appropriate anti-bacteria product i.e. wipes/spray and then cleaned again after use with the same product. A good supply of appropriate anti-bacteria cleaning materials MUST be available at all times. Regular & more frequent hand washing using soap & hot water and using hand sanitise gels in-between. Ensure HSA15 is posted in a prominent position. 				
14	Lack of manager communication & monitoring if employees	4	2	0	8	<ul style="list-style-type: none"> Only employees who have been authorised by their line manager will be allow to work from LCC buildings, see Working in LCC buildings flowchart within the manager COVID toolkit, Click here. Line manager to Ensure regular communication with remote employees. All employees to install Microsoft Team onto their laptop/desktops where possible. Click here for further guidance. Line manager to ensure employees are aware of LCC's Employee Wellbeing and Support information. Click here for further information. Employees are encouraged to keep up to date with the latest new from around the County via LCC social media:- <ul style="list-style-type: none"> https://www.instagram.com/lincolnshirecc/ https://en-gb.facebook.com/lincolnshirecc/ https://twitter.com/lincolnshirecc?lang=en 	3	1	0	3
15	Property related issues/incidents, no one to report to e.g. locking/unlocking safe access/ egress	2	2	0	4	<ul style="list-style-type: none"> Ensure all staff are aware of the process of reporting all property related issues to the Property Service Centre (PSC) Ensure that access can be provided to address the issue Staff to report issues, incidents or concerns to Property Service Centre (01522 555555) 	2	1	0	2

	alarms					<ul style="list-style-type: none"> • Check for any hazards especially if site not been used for a week • Clear any debris that blocking or prevent access if safe to do so • Notify PSC if contractor assistance is required • Report to the Police if damage has occurred and notify PSC 				
16	External contractors on site	2	2	0	4	<ul style="list-style-type: none"> • Only essential contractors to be allowed on site i.e. emergency repairs/statutory maintenance etc. • All contractors to adhere to the same infection reduction controls as employees i.e. If they (or any member of their family) are displaying any symptoms they will not carry out the visit • Any contractor attending site will book in advance • Contractor to supply your staff with Hand sanitizer and must be carried with them • Contractor to provide appropriate PPE to their staff 	2	1	0	2
<p>Activities 17 and 18 are additional hazards/controls to the above 1-16 that are service specific issues at:-</p> <ul style="list-style-type: none"> • Day Centres • Youth Centres • Waste sites • Highways Depot 										
17	Staff supporting service users	4	4	0	16	<ul style="list-style-type: none"> • Must be more than 1 member of staff on duty at any one time • Service/Operational specific risk assessments must be in place that includes additional controls measures for reducing/managing the COVID 19 hazards whilst undertaken/providing that service/operation. • Individual risk assessments may need to be undertaken for employees/services that have high risk issues associated the COVID 19 i.e. medical condition, vulnerabilities etc. • Service user asked if they or someone in their household have any symptoms before arrival to site, they will be instructed NOT to be use the site/building if they confirm they or someone within their household DOES have COVID19 symptoms. • Service users not touched and social distancing maintained • Service users reminded of personal hygiene and supervised hand washing 	4	2	0	8

18	Lack of hand washing facilities on remote/external sites.	4	4	0	16	<ul style="list-style-type: none"> • Hand gels/Sanitiser MUST be available on site • Hand washing encouraged whenever possible • Occupancy kept to a minimum • Sites cleaned daily • Cleaning wipes MUST be made available on site • Ensure Balfour Beatty are aware of LCC procedures as tenants in LCC buildings 	4	2	0	8
<p>Activity 19 is an additional hazards/controls to the above 1-18 that's a service specific issue at:-</p> <ul style="list-style-type: none"> • Boston Children`s Centre, Norfolk Lodge, 27 Norfolk Street • Mablethorpe Children`s Centre, Stanley Avenue, Thorpe Sands • Skegness Children`s Centre, Brunswick Drive (within Skegness Infant Academy) • Spalding Children`s Centre, Banks Avenue (on site of St Paul`s Primary School) • Lincoln Birchwood Children`s Centre, Birchwood Avenue • Lincoln Central Children`s Centre, St Andrew`s Close (on site of Bishop King CE VA Primary School) • Sleaford Children & Young People`s Centre, Money`s Mill Complex, Carre Street • Bourne Children`s Centre, Queen`s Road (shared building with Youth Centre) • Grantham Swingbridge Children`s Centre, Trent Road (on site of The West Grantham Academy St John`s) 										
19	Attending a midwife appointment	4	3	0	8	<ul style="list-style-type: none"> • Public MUST only attend on an appointment basis, public without an appointment will be asked to leave. • Public kept separated / isolated by using several rooms as waiting areas. • Midwife and business support on site to control numbers • Sites cleaned after each session 	4	2	0	8
<p>Activity 20 is an additional hazards/controls to the above 1-16 that's a service specific issue at:-</p> <ul style="list-style-type: none"> • All registration offices are open except Bourne • Not open to the public 										
20	Members of the public just turning up					<ul style="list-style-type: none"> • Registrars inform them that the service is not available in person and inform them what they need to do • Display notices on the door to inform public the building is closed 				

*each square to be colour coded to suit the risk rating

Amendments for Health Visitor appointments – 22/07/20:

- Although a one-way system is preferred this would send families into the path of other families coming to the nursery which takes place throughout the day therefore the building has been divided into two separate operations that do not cross over.
- A new reception has been installed with a perspex screen. This area is for CSSA use only and has been taped off to discourage anyone else coming into that space.
- After several options were explored a buggy park has been installed in main reception but out of the way so staff do not need to touch or handle buggies. (The buggy and any items on it will remain safe indoors and there is then no need for an outside bike lock which would need cleaning each time).
- 30 minutes between appointments will be enforced by the SPA so only one family should be in the building at any one time.
- Families will only use toilets in the waiting area on the way in and the one by (new) reception on the way out.
- The garden is out of bounds for families unless access is required for fire evacuation as this area is hard to monitor and clean.
- A breastfeeding room has been provided although this also part of the assessment which may mean it is not needed, however the space is available and it is for families to clean after use.
- The tape appears to not stick well to the carpet so if one family accesses the building at any one time, with appreciation for waiting or breastfeeding either side of the appointment, it may be better to remove it to avoid the trip hazard. This will be checked again after appointments start. The same applies to taping 2m distance spacers outside the reception door as it may not be necessary.
- Wipes are to be provided in the waiting room, breastfeeding room, health room and toilet/nappy change. CSSAs to wipe the chairs in the waiting room between appointments.
- Hand sanitiser to be provided in both receptions and the health room.
- All toys, books, bags, etc have been removed to save on cleaning. The Health Visitor can provide wipeable toys if they are prepared to clean them between every appointment.
- Fabric chairs have been removed and replaced with wipeable chairs for families to use. Staff (including Health Visitors) can

still use operator chairs if they wipe down the arms and pumps on arrival and departure everyday as this may be more comfortable from a DSE point of view. However they can swap to a plastic chair if they wish.
