

## SUPPORTING SCHOOLS SINCE 1996

A frontline service for those who live or work with children and adults who have ADHD and co-existing conditions

We offer bespoke training packages for teachers and TAs based on a school's individual needs

We are committed to promoting a fully neuro-inclusive environment

Registered Charity: 1124090

## WHAT WE OFFER

We collaborate locally, nationally and internationally

We support schools, voluntary organisations, the NHS, Local Authority and employers.

We can provide:

- Whole school training
- Workshops and drop-in surgeries for parents and carers
- Governor training

Whole school training packages can be delivered as part of INSET days or as twilight sessions and include:

- ADHD awareness and identification
- Effective strategies to support children with ADHD

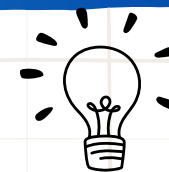

We can deliver dedicated programs for teachers, parents and pupils including:

- 123 Magic course and toolkits for teachers
- 123 Magic, Resilience And Me courses and toolkits for parents
- Friendship Courses for pupils

We are very proud to be members of

## BENEFITS

Developing whole staff awareness of how best to support students with ADHD leads to improved outcomes for children and young people

Supporting parents and carers to understand their children's strengths and needs, and how to best support them in the home and collaborate with school

Fostering positive, collaborative relationships between schools and parents
