

Concerto

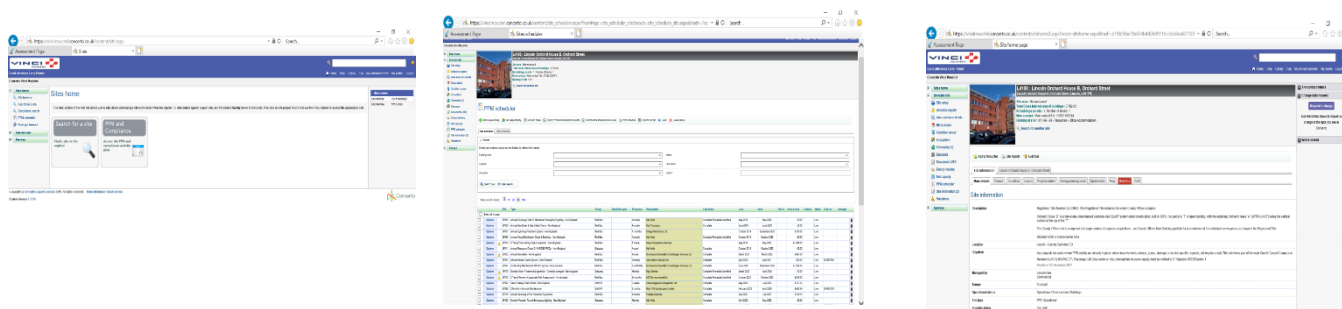

If a school has entered into the Schools Essential Maintenance Scheme (SEMS) then all paperwork, service record and assessments will be housed on the platform Concerto.

On there, you will find things like:

- Asbestos Management plan
- Fire alarm testing
- Legionella management including Risk Assessment
- Lighting testing
- Business requests

There is also the Planned Property Maintenance (PPM) page which shows you what Property services are responsible for / when the next inspection is due / outstanding actions etc.

You can find Concerto here: [Login \(concerto.co.uk\)](https://concerto.co.uk)

If your school is in SEMS, you should already have a log in for Concerto, if not please contact:

The Corporate Property Team: Corporatepropertyteam@lincolnshire.gov.uk

Please also contact the Corporate Property Team with any questions you have regarding SEMS.

Issues with Concerto? Or for more information regarding Concerto, please contact: LCCconcertohelp@vincifacilities.com
