C4 PRICE REVIEW

- C4.1 The Price for each IPA shall apply for the first part and first full Contract Year. Subsequent Contract Years shall be subject annually to the inflationary uplift formula specified in this Clause XXX.
- C4.2 The annual inflationary uplift shall be governed by two key indices: the [National Living Wage](#) (NLW), and the [Consumer Prices Index \(CPI\)](#).
- C4.3 The formula to be applied annually is as follows: (70% of current annual IPA value X percentage increase in NLW) + (30% of current annual IPA value X percentage CPI). NB: all percentage increases will be to one decimal point, rounded up or down to the nearest number.
- C4.4 The percentage increase in NLW will be as specified by His Majesty's Government. For example, the increase for 1st April 2025 was 6.7% (from £11.44 to £12.21). This increase of 6.7% would be multiplied by 70% to add 4.7% to the annual IPA value in the next Contract Year.
- C4.5 The percentage increase in CPI shall be based on the percentage of CPI in September of the current Contract Year. For example, in September 2024 this was 1.7%. The percentage would be multiplied by 30% to add 0.5% to the annual IPA value in the next Contract Year.

- C4.7 A fully worked example of the annual uplift formula, using the examples above, would be: $(70\% \times 6.7\%) + (30\% \times 1.7\%)$. This would equal 5.2% (4.7% + 0.5%). Based on a value of £100 in the current Contract Year, the following Contract Year value would be £105.20.
- C4.8 The Customer and the Supplier shall, using the formula set out in this Clause C4, commence the process for determining the annual inflationary uplift in October each Contract Year. The value to be added to the following Contract Year shall be agreed by both parties by 30th November in any Contract Year. The agreed new annual Price shall then be implemented from 1st April of the following Contract Year.
- C4.9 Where His Majesty's Government has not confirmed the increase for NLW by 30th November of a Contract Year, the previous year's increase shall be used to provide an indicative value and an adjustment made, ready for 1st April of the new Contract Year, at the point where the increase in NLW is known.
- C4.10 Where values for CPI for September in the current Contract Year are not known by 30th November, the figure taken shall be that for the latest available monthly figures for CPI in the current Contract Year.
- C4.11 Where the Customer confirms to the Supplier in writing that inflationary uplift to the Charges calculated in accordance with this Clause C4 are not affordable for the Customer, the Parties shall come together and negotiate the percentage uplift.
- C4.12 If the Parties cannot agree a percentage uplift to the Charges pursuant to Clause C4 then either Party shall have the right to terminate the Contract upon giving the other notice in writing, with such notice period to end no earlier than the end of the financial Year during which the negotiations have taken place.

Force Majeure Event. Any failure or delay by the Supplier in performing its obligations under this Contract which results from a failure or delay by an agent, Sub-Contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-Contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Supplier.

- H9.2 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.
- H9.3 If the Supplier is the Affected Party, it shall not be entitled to claim relief under this Clause H9 to the extent that consequences of the relevant Force Majeure Event:
- (a) are capable of being mitigated but the Supplier has failed to do so; and/or
 - (b) should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Contract.
- H9.4 Subject to Clause H9.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.
- H9.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.
- H9.6 Where, as a result of a Force Majeure Event:
- (a) an Affected Party fails to perform its obligations in accordance with this Contract, then during the continuance of the Force Majeure Event:
 - (i) the other Party shall not be entitled to exercise any rights to terminate this Contract in whole or in part as a result of such failure other than pursuant to Clauses H1 and H3; and
 - (ii) neither Party shall be liable for any Default arising as a result of such failure;
 - (b) the Supplier fails to perform its obligations in accordance with this Contract:
 - (i) the Customer shall not be entitled to withhold and retain any of the Price as compensation to the extent that such failure has been caused by the Force Majeure Event; and
 - (ii) the Supplier shall be entitled to receive payment of the Price (or a proportional payment of them) only to the extent that the Services (or part of the Services) continue to be performed in accordance with the terms of this Contract during the occurrence of the Force Majeure Event.
- H9.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Contract.

- H9.8 Relief from liability for the Affected Party under this Clause H9 shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Contract and shall not be dependent on the serving of notice under Clause H9.7.
- H9.9 In the event that any Force Majeure Event continues to affect the ability of either Party to fulfil their obligations under the Contract for a period of three (3) Months or more, either Party may serve notice of termination with immediate effect on the other Party.

- (c) Unless otherwise agreed, all negotiations connected with the dispute and any settlement agreement relating to it shall be conducted in confidence and without prejudice to the rights of the Parties in any future proceedings.
- (d) Both Parties agree to co-operate fully with any Mediator appointed and to bear their own costs and one half of the fees and expenses of the Mediator unless otherwise agreed at Mediation.

SERVICE SPECIFICATION

Service Name	Short Breaks for Children and Young People with a Disability
---------------------	---

NB: For the avoidance of doubt where reference is made throughout to children or Children with a Disability (CWD) this includes children and young people with a disability from age 0-18 years. Where the specification talks about meeting the needs of Children with a Disability (CWD) this includes, by extension, the needs of their families as well, in relation to the Child with a Disability.

1.	Purpose of the Service
1.1	Lincolnshire's High Needs Strategy outlines the Customer's intention to ensure Children with a Disability (CWD) have help to thrive in life. The ambition is that all CWD will receive the right support at the right time. CWD in Lincolnshire are supported to maintain their quality of life, access high quality education, remain living at home with their family and enabled to access their local communities so they can go on to live as independently as possible. Following an assessment of need some CWD are identified as requiring support to achieve these aims. The Customer requires Suppliers to deliver high quality Short Breaks ("The Service"), to meet the needs of CWD. Short Breaks can occur at different times – during the day or evening; overnight; or on weekends and can span a few hours or several days. They can also be offered in various locations ranging from the CWD's home, a residential care setting, an activity centre or as part of a plan to offer specialist additional support by enabling access to a universal or specialist community facility or service. Whatever the setting of a Short Break, there is an expectation that identified assessed personal care needs are to be delivered by the Supplier as cited in the individual's Care Plan. The service shall offer CWD an enjoyable experience, away from their primary carers, to enhance their personal and social development, whilst parents/carers are provided either with a valuable break from their caring responsibilities or with help accessing the community with the CWD. All Suppliers must be registered with the relevant Regulatory bodies subject to the nature of their Short Break offer e.g. Ofsted if offering overnight short breaks or the Care Quality Commission (CQC) if offering personal care as part of the service.
2.	Aims and Objectives of the Service
2.1.	<u>Aims</u> - To support CWD to have experiences that will support their development and meet their identified needs, providing opportunities to spend time with friends and peers. - To offer parents/ carers a break for their caring responsibilities.
2.2.	<u>Objectives</u> To support CWD to access community and leisure opportunities, promoting social inclusion.

	• To encourage CWD to do things for themselves, wherever possible, to enhance independence and life skills. • To support CWD to meet their personal care and, where appropriate, health needs. • To ensure CWD are treated with dignity and respect and regarded as equal partners in the delivery of their care. • To support parents/carers in their caring role and reduce CWD needing to become a Child in Care to have their needs met. • To work collaboratively alongside the Customer and other relevant agencies, including Health, to offer a holistic package of care to CWD. • To ensure that effective systems are in place to assess, track and monitor children's progress, particularly in relation to relevant outcomes within their Education, Health and Care Plan (EHCP).
3.	Outcomes
3.1.	The Customer's vision is <i>"Putting Children First – everyone working together for all children, young people and families to be happy, healthy, safe and the best they can be."</i> The principles through which the vision is delivered are: • Early Help: Strong protective universal services accessible to all with a range of early help available so children have the best start in life and families have extra help when they need it • Safeguarding: A shared responsibility to ensure children are safe at home, school and in their community • Aspiration: Children are able to thrive and cope with life challenges • Learning and Achievement: All children being the best they can be with targeted interventions to close the gap so vulnerable children achieve as well as their peers • Best Use of Resources: Integrated commissioning with a focus on best value, improved outcomes and community engagement. The Supplier shall follow the vision and principles of the Customer in delivering the Service. The Supplier shall work with partners to achieve the outcomes below for children and their families. Outcomes • Parents/ carers of CWD feel supported in their caring role. • Children remain living at home and are safe. • Children feel part of their community. • Children are more independent and ready for adult life.
4.	The Service
4.1.	<u>User Group and Eligibility for the Service</u> 4.1.1. Service users shall be CWD aged 0-18 years, living in Lincolnshire, from one of the following groups: Group 1. Autistic children or children with severe learning disabilities. The associated behaviour of children may be challenging. Group 2. Children with complex health needs including those with disability and life limiting conditions, and/or those who require palliative care and/or those with associated impairments such as cognitive or sensory impairments and/or have moving /handling needs and/or require special equipment/adaptations.

	4.1.2. In both instances, CWD will have been assessed as a Child in Need, as set out in the Chronically Sick and Disabled Persons Act 1970, Children Act 1989, section 17 (10), the Carers and Disabled Children Act 2000, The Breaks for Carers of Disabled Children Regulations 2011, and the Children and Families Act 2014. 4.1.3. Following the Customer's Needs Assessment, eligible CWD will be entitled to receive Short Breaks services designed to meet those needs and improve their outcomes and life experiences.
4.2.	<u>Access to the Service</u> 4.2.1. Suppliers that have been accepted onto the Council's Open Select List (OSL) will receive an individual referral form from the Customer setting out the needs of the CWD for whom a Short Breaks service is required. 4.2.2. The Supplier must decide if they can offer a service that meets the child's needs and respond to the referral by submitting their bid in accordance with the mini-tender process. The Supplier should also notify the Customer if they are unable to offer a package and the reason why. 4.2.3. If no suitable bids are received a wider market search may be conducted with other suppliers. 4.2.4. Once the deadline for submission has passed, bids shall be evaluated according to any weightings specified in the referral and all bidders will then be informed of the outcome. 4.2.5. The Supplier shall liaise with the Customer to arrange to visit the child and family to make arrangements for the delivery of the Service. The Child in Need Plan and/or Education, Health and Care Plan (EHCP) will be shared with the Supplier beforehand. 4.2.6. The Supplier shall undertake their own risk assessment and work together to plan the Service in conjunction with the CWD and family, the Customer, and in accordance with appropriate regulatory guidance. The subsequent Agreement between the successful Supplier and the Customer will be set out in the Individual Placement Agreement (IPA). 4.2.7. The Supplier shall agree a start date subject to completion of any mandatory contractual checks, staff training etc. The timescale between the initial contact and the Service commencing shall be no more than two weeks, unless previously agreed otherwise. 4.2.8. If a referral is received for CWD already or previously receiving Short Breaks services from a supplier following an Open Select List mini-competition, Lincolnshire County Council reserve the right to contract directly with this supplier where appropriate without the need for further competitive tender.
4.3.	<u>Service Detail</u> <u>General</u> 4.3.1. CWD in Lincolnshire require a high-quality Short Breaks service which is personalised to meet individual needs. The Service shall be person centred, flexible and responsive ensuring CWD and their parents/carers are able to exercise choice and control over the

	services that they receive and are at all times treated with kindness, dignity, and respect, and regarded as equal partners in the delivery of their care. 4.3.2. For some CWD it is not appropriate for them to access universal/mainstream provision. They may have more complex needs which mean such provision is difficult to attend. Targeted services are specifically aimed at those CWD with a higher level of need. However, the Service shall ensure that a culture of dependency is not fostered. The ambition for all CWD is that they achieve as high a level of independence as possible. 4.3.3. The service could include, but is not limited to: • Access to leisure and community activities (social inclusion). • Overnight stays. • Therapeutic activities and/or specialised provision. • Development of life skills. • Transition support. • Social and communication skills. • Attending appointments and/or meetings. • Low-level health care tasks not requiring a nursing qualification. • Personal and intimate care. 4.3.4. The Supplier shall ensure that all staff are appropriately skilled and competent to provide safe, high-quality support to CWD. Where required, key tasks may include, but are not limited to, the following: • Administering invasive medical treatments. • Assistance with feeding including artificial feeding. • Cleaning of gastrostomy. • Assisting with a pre-determined exercise regime for maintaining/improving range of movement. • Administering oxygen. 4.3.5. The Supplier shall be committed to working together in partnership with the Customer and strive for continuous improvement, reflecting new learning as it emerges, including in response to new legislation or guidance, and ensuring that available resources are maximised to achieve the best outcomes for CWD. Any changes to the delivery of the Service shall be authorised by the Customer through the issuing of a new IPA. 4.3.6. The Supplier will work collaboratively with all key workers to assist with the delivery of related outcomes within the Child in Need Plan, and EHCP, where applicable, as provided by the Customer. The Supplier may be expected to contribute to any review of such Plans. 4.3.7. The Supplier shall signpost and refer to the Customer's Local Offer and other appropriate agencies and services, both universal and targeted. This includes supporting CWD, where appropriate, to develop close links with the local community. 4.3.8. The Supplier shall ensure that Support Workers have adequate English language and literacy skills to undertake this duty and record clear, legible, concise, and relevant records. 4.3.9. The Supplier shall provide the amount of time for each Short Break as specified in the IPA with any minor changes, and the reasons why, recorded and reported. The Supplier shall ensure that no session will be missed without justifiable reason.
--	--

- 4.3.10. In any instance where the Supplier is unable to deliver the Service, the Supplier or their representative must contact the parents/carers at least 24 hours before the specified due time.
- 4.3.11. The parents/carers must be notified by the Supplier if there is to be an adjustment in the anticipated time of arrival. In all cases, the Supplier shall make alternative acceptable arrangements for the CWD with their agreement.
- 4.3.12. The parents/carers are entitled to refuse entry into their home to Support Workers. If entry is refused or a Support Worker is turned away, the Supplier shall investigate the reason and, where possible, resolve the issue. If not resolved, the Supplier shall inform the Customer of the situation as soon as possible but no later than one working day.
- 4.3.13. Parents/carers are expected to transport their child to and from Short Breaks, unless otherwise agreed as part of the assessed need and as cited in the IPA.
- 4.3.14. The Supplier shall notify the Customer immediately (or the next working day where not possible) if the following occurs:
- The CWD or parent/carer is admitted to hospital.
 - The CWD or parent/carer has a serious accident or injury or dies.
 - There is concern for the health and safety or welfare of the CWD or parent/carer or any other member of the household.
 - There is concern for the health and safety of the Care/Support Worker.
 - Regular and/or persistent refusal by the family to accept support to meet outcomes, mutually agreed in the Plan.
 - Failure to provide the service to the CWD - missed, late, void or 'no response' sessions.
 - The CWD or a member of the family contracts a notifiable infectious disease.
 - The Supplier becomes aware of changing needs which are not being met within the current support Plan and/or support needs have decreased.

Regulatory Requirements

- 4.3.15. Where appropriate, and in accordance with the assessed needs of the CWD, Suppliers shall be registered with the relevant national regulator e.g. the Care Quality Commission (CQC) or Ofsted. It is the Supplier's responsibility to maintain contemporary knowledge of the Regulatory code and to maintain the correct registration.
- 4.3.16. Suppliers shall maintain registration throughout the duration of the contract as required by legislation. The regulations required for registration, their associated standards and the monitoring of the achievement of those regulations and standards are not, therefore, duplicated in this specification. It is expected that the regulations will be met through registration activity.
- 4.3.17. Suppliers shall inform the Customer when a regulatory inspection is planned for and once it has taken place will share the result of the inspection, including all findings positive or negative, within 48 hours. Suppliers shall notify the Customer immediately or as soon as possible of any Regulator Warning Notices placed on the Supplier regarding the Supplier and/or its regulated activities.

4.4.	<u>Service User Exit/Transition from the Service</u> 4.4.1. Where a CWD remains eligible for Short Break services they will remain with the Supplier under the terms of this contract and the relevant IPA either until they are 18 years old or a relevant clause from Section H (Part 2 of Terms and Conditions for CWD Short Breaks) applies. 4.4.2. The Supplier shall not withdraw the Service from a child, either temporarily or permanently, for any reason, without the prior agreement of the Customer. Cessation of provision should only occur in exceptional circumstances and should follow an agreed collaborative policy, as per the contract terms and conditions. Where a service has irrevocably broken down, the Supplier and Customer shall work together to seek to continue to provide support to the child until alternative suitable provision can be identified and accessed. 4.4.3. CWD will be supported to transition from the Service by both the Customer and the Supplier as per their individual care plans. This may be to another Supplier, alternative provision, a change in living arrangements and/or transition to Adult services.
4.5.	<u>Key Interdependencies or Partnerships with other Services</u> 4.5.1. The Supplier shall work with key stakeholders identified in the Child in Need plan and/or EHCP, where applicable, to achieve the best outcomes for CWD, and work collaboratively with the Customer's CWD service and Commissioning team to ensure that they continue to deliver a good quality, robust and compliant service. 4.5.2. A wide range of other professionals may be involved in the care and support of the child and this may include, but is not limited to, schools and colleges, GPs, other health service providers, other relevant services commissioned by the Customer, voluntary organisations, the Customer's Children's and Adults Social Care or SEND Teams, Children's Centres, and other Customer's children's services and adult services (where appropriate).
4.6.	<u>Location of Service and Hours of Operation</u> <u>Location of Service</u> 4.6.1. The Service is likely to be required to be delivered within Lincolnshire at, for example, an activity centre, residential placement, holiday home or Independent Non-Maintained (Special) School, but it may be appropriate or necessary to deliver Short Breaks from such settings outside of Lincolnshire. <u>Hours of Operation</u> 4.6.2. The exact hours of provision shall be specified within the IPA. The time allocated to individual Short Breaks will match the assessed needs of the CWD. The Supplier shall offer flexibility of timing to reflect a person-centred approach to the provision of the services.

4.7.	<u>Staffing</u> 4.7.1. The Supplier shall provide, employ or have access to appropriate staffing resources to deliver the Service defined in this Specification and to meet the needs of the individual children, as per their referral form and subsequent IPA. 4.7.2. The Supplier shall seek to promote stability and continuity of relationships for CWD with staff turnover minimised. The Supplier's arrangements for covering staff absences shall be factored into the core staffing capacity and is not solely reliant on staff working over-time, or the regular use of agency staff other than for exceptional and unplanned staff shortages. 4.7.3. The Supplier shall ensure that all staff are suitably trained and experienced and/or qualified according to appropriate regulatory requirements so that all CWD receiving a service are kept safe and healthy with all specific health, care and medical needs being met to a good standard. 4.7.4. The Supplier shall ensure that there is a structure in place to provide supervision and guidance to care workers at all times, which is underpinned by a Governance framework with clear lines of accountability.
4.8.	<u>Resources</u> <u>Resources to be provided by the Customer</u> 4.8.1. In addition to resources identified within the contractual terms and conditions, the Customer shall supply the following resources to support the Supplier to fulfil the requirements of the service: • Ensure that a written referral, with all relevant information available at that time, is provided to the Supplier. • Provide a copy of the Child in Need Plan and EHCP, where applicable. • The Customer will ensure each relevant CWD has a suitably trained Social Worker. This worker will notify the Supplier of any Child in Need Plan review dates, where applicable, and other relevant meetings well in advance. The Social Worker will work with the Supplier to evaluate the service delivered and review the IPA at regular intervals. <u>Resources to be provided by the Supplier</u> 4.8.2. Although statutory responsibility for the child and for monitoring their individual progress ultimately rests with the Customer (and will be exercised through the child's social worker and statutory review procedures, where applicable), the Supplier will, however, be responsible for the delivery of the Service and periodic monitoring of the child's well-being and progress as defined in the IPA, Child in Need Plan, and EHCP where applicable. 4.8.3. The Supplier shall have an assessment, risk management and client matching policy and framework to ensure that service users do not present a risk to each other, and that the Supplier can ensure that placing CWD together, or in close proximity, does not increase their vulnerability.

	4.8.4. The Supplier shall ensure that where transport is used in provision of the Services, it is appropriate to the needs of the CWD, adheres to all the legal and insurance requirements, and all drivers hold a valid driving licence and Disclosure and Barring Service clearance. 4.8.5. The Supplier shall ensure that care/support workers always have appropriate personal protective equipment to deliver the service.
