### Christmas Cheer with Care: An Infection Control Poem!

It is a jolly joyful Christmas.  
It is the best time of the year.  
When we deck the halls with festive lights  
and we spread the festive cheer!  
As we share our glad tidings  
Remember to wash your hands with care!  
Keep the germs at bay and the colds away,  
So, we can sing and sway this Christmas day!  
In care homes and through home care too,  
The joy of Christmas carries through  
One truth shines bright, a guiding light  
Infection Control protects with care,  
So that laughter can fill the winter air.  
Cheers to the heroes who light the way  
Keeping Christmas safe and bright.  
May your Christmas be merry  
Your protocols tight,  
In homes that sparkle with love and light!
