## Driver Improvement Programme

**If you drive on behalf of Lincolnshire County Council and have not yet been invited to participate on the Driver Improvement Programme, please ensure that you contact your Line Manager.**

Are you visiting Service Users at their home, making regular trips to access points, driving to meetings or even delivering a package on behalf of Lincolnshire County Council?

The training is an online assessment looking at hazard perception, knowledge of the law, health and safety risks. Following the assessment there is a 90 minute training program. All the assessment and training can be jumped in and out of and is all web based.

To access the online ROSPA driver training, your Line Manager will in the first instance need to contact Mark Holroyde (Insurance Officer) on 553675 or email Mark at [mark.holroyde@lincolnshire.gov.uk](mailto:mark.holroyde@lincolnshire.gov.uk)
